142 A2 block 4 Quaid-e-Azam town, Lahore, Pakistan

SUMMARY

I am a driven e-learning developer passionate about supporting organizations in unlocking their employees' potential. With a vision to create captivating learning programs, I have contributed to several companies by creating online training programs and developing Moodle/LMS platforms that help close performance gaps and facilitate continuous learning

KEY ACHIEVEMENTS

- **Enhanced Moodle Interface**
Increased learning engagement by 50% with new Moodle features.
- **Expanded LMS Reach**
Developed LMS platform adopted by 5 global firms.

EDUCATION

- 09/2015 - 06/2019**
